YAZOO CITY HERALD.

Yazoo City, March 13, 1891

LOCAL JOTTINGS.

Did you see the "cannon ball train?" Most of the vacant lots have cotton

stored in them now. There was a delightful dance at the Opera House Monday night.

Trinity Guild will meet at the Exchange Rooms Wednesday, 18.

Huntley at Opera House five nights next week, beginning Monday. King's Daughters meet Tuesday eve

eyening, 4 o'clock, at Mrs. W. D. terval. The rain was accompanied efficient President of the Board of Su-with some fine stock.

HERALD next week. Look out for it.

sue of the HERALD.

A steel key, of strong make, and apparently for a safe, is at the HERALD ice, and will be delivered to swuer when called for. It was found on the streets of Yakoo City this week.

Capt. Z. P. Stutts, as President of wind blowing.

HERALD today. The deposits show near \$98,000, the loans near \$50,000, and the total business, \$164,029,14. It this warehouse. is one of the solid financial institutions

and will reach here in time for Mr. weeks ago. At a meeting of the Board of Direc-

of Mrs. D. S. Wilson, near Brandon, trucks. of Mrs. D. S. Wilson, near Brandon, was destroyed by a cyclone Sunday night. Mrs. Wilson and her daughter were asleep in the house, the bed upon which they were was carried out into the pard, the ladies receiving several bruises. Mrs. Wilson is the mother of Mr. R. L. Wilson, a worthy employee of Messrs. Crane Bros. A Co., of this coity.

Turists,

Perhaps the greatest sufferers from the flood were the families living in the flood were the families living in the flat west of the railroad. Most of them are colored, and they had scarcely time to get their furniture and househeld of feets out before the rushing waters had covered the floors of their houses. All covered the floors of their houses. All covered the floors of their houses. Saturday night and Sunday they were floating their goods out in boats to dry land, where they were loaded on drays and they floor the rushing waters had covered the floors of their houses. All covered the floors of their houses. Saturday night and Sunday they were floating their goods out in boats to dry land, where they were loaded on drays and strucks.

of Messers. Crane Bros. & Co., of this city.

Mr. Sam Kaye has the artesian well 510 feet deep, and a stream of water struck that flows to the surface. The water is in a bed of pure white and, and thought to be sufficient for all demands. The water is clear and apparently of good quality, free from all impurities. Three hundred feet above the water stream is a stiff clay of forty feet thickness. The casting of the well is held by thir clay, increasing miss norm or the cuty, was waxiesing a smaller one to connect this with held by thir clay, increasing miss norm or the cuty, was waxiesing a smaller one to connect this with the bottem of the well. When this is the bottem of the well. When this is held by thir clay, increasing aged that the trains could be ally damaged that the trains could be all trains and thought to describe the purpose of the Yazoo City Democrated to meet in convention at the Mayor's office, Tuesday, March 24, 1891, at 7:30 p. m., for the water across the class and apparent cash; the other in conventions at the Mayor's office, Tuesday, March 24, 1891, at 7:30 p. m., for the purpose of nominating four Alderman of good quality, free from all impurities. Three hundred parts of them were drowned, and throught to be sufficient for all demands. The matter of good quality, free from all impurities. Three hundred parts of the well is held by thir clay, increasing meeting a smaller one to connect this with the clay in the clay in

Jim Anderson, about as worthless a megro as ever infested a town, was arrested Friday night for knocking his mistress, Alice Crozier, down. He was disaster to bridges and fences, every session at the Court House, Yazoo City.
